Discovering India and Dubai with BITS Pilani:
A Cultural Expedition

BITS Pilani
Pilani | Dubai | Goa | Hyderabad | Mumbai

About BITS Pilani

BITS Pilani, established in 1964, recognized as an "Institution of Eminence" by Ministry of Education, Government of India. BITS Pilani is a pioneer in Higher education in all the major disciplines of Engineering and Sciences, with Humanities, Social Sciences, Economics and Finance in its ambit. It's four modern, aesthetically beautiful and fully residential campuses at Pilani, Dubai, Goa and Hyderabad with state-of-the-art facilities for teaching and research provide a unique ambience for student and faculty interaction. BITS Pilani is establishing yet another campus in Mumbai to house the School of Management and School of Law. The primary aim of BITS Pilani is to advance knowledge and educate students in science, technology, and other areas of scholarship that will best serve the nation and the world in the 21st century.

About the Programme

The two-week India Programme for participants offered by BITS Pilani with a focus on Rajasthan, Goa, Mumbai, and Hyderabad offers international students a unique opportunity to explore the diverse cultural, historical, and academic landscapes of these regions. The program aims to provide a comprehensive understanding of India's rich heritage, vibrant traditions, and academic excellence.

The Dubai Programme for participants offered by BITS Pilani will provide a unique opportunity to explore the vibrant city of Dubai. The programme aims to provide a comprehensive learning experience of Dubai's rich heritage and rapid development of economy, making it an ideal destination for exploration.
